

CORNELL SCORES A BIG VICTORY

Won Varsity Eight-Oared Race
At Intercollegiate
Regatta.

FOUGHT OVER FOUR MILES.

Syracuse Captured the Varsity Four
By Good Two Lengths—Wisconsin
Took Freshmen Eight.

First—Cornell, 20:02 3-5.
Second—Columbia, 20:04.
Third—Navy, 20:13 4-5.
Fourth—Pennsylvania, 20:33 2-5.

Poughkeepsie, N. Y., June 26.—Cornell won the varsity eight-oared race at the intercollegiate regatta for the eighth time this evening in the most exciting contest ever rowed over the four-mile course. Cornell's time was 20:02 3-5. Columbia was second, the United States Naval academy third, Pennsylvania fourth, Wisconsin fifth and Georgetown sixth. Syracuse did not finish, her shell being swamped a half mile from the finish.

The Itasca won by the narrowest margin from Columbia, and until the judges pronounced that Cornell had won the thousands of spectators afloat and ashore were in doubt as to which crew had crossed the line first.

Cornell and Columbia fought for the honors over the whole four miles, and at no time were the two shells more than twenty-five feet apart. Columbia led for over three miles and then Cornell took the lead, only to lose it to Columbia again. In the last 100 feet of the race Cornell, by a tremendous spurt, shot the nose of her shell into the lead and won by two lengths over the Columbia.

The United States Naval academy, Annapolis, five feet ahead of Columbia, the Annapolis crew rowed a magnificent race and finished two lengths behind Columbia. Syracuse captured the varsity four-oared race from Cornell, Pennsylvania and Columbia, which finished in the order named. Syracuse finished two lengths ahead of Cornell, and her time for the two miles was 19:37 1-5.

WISCONSIN TAKES ONE.

Wisconsin won the freshmen eight-oared race over the four-mile course, and Syracuse over the five-mile course. Pennsylvania was third, Columbia fourth, Cornell fifth. Columbia rowed the last quarter of a mile with an almost water-logged shell, which filled near the end, when three feet of blanketing was ripped off by a submerged log.

The varsity race was postponed until after 8 o'clock on account of rough water. Twenty thousand spectators saw the races.

Secretary of the Navy Metcalf viewed the contest from the gunboat Yankton, while nearly 60 midshipmen cheered the Annapolis from the observation train and from the bridge and conning towers of the United States monitors Arkansas, Florida and Nevada, anchored near the finish line. One hundred yards from the finish Cornell made the final effort. Amid cheers and the shrieking of whistles the leaders neared the finish line, on which was placed a great bar of white light from the searchlight on the monitor Arkansas. Cornell's steady low stroke shot her shell five feet ahead of Columbia as they came in the light rays. Columbia tried to cut down the slight lead, and Cornell slipped over the line a winner by about five feet.

The navy came over the line third, three lengths behind Columbia. Pennsylvania was two lengths behind the navy. Four lengths behind Pennsylvania was Wisconsin, and far behind was Georgetown, the sixth to finish. Syracuse rowed the last half a mile from the finish and would have sunk had not the crew jumped overboard. They were picked up by passing launches. Cornell's crew seemed in good condition after the race.

The time of Wisconsin, Syracuse and Georgetown was not taken.

WALTER CAMP HOME.

Famous Athlete Returns From Trip to Europe.

New York, June 27.—Walter Camp of Yale athletic fame, who has just returned from abroad, will sail for England, a game of baseball between the Rhodes scholars at Oxford and a team picked from the association football players of England. The game was the most amusing he ever saw. It began at 2 p. m. and at 1 o'clock three long hours of play followed and the score was 52 to 38 in favor of the Rhodes men. The higher the score the greater the enthusiasm of the spectators.

"I left at the end of the third inning," Mr. Camp said. "They may be playing yet."

Epilepsy Fits St. Vitus Dance

Are nerve diseases, and unless checked, lead to destruction of both mind and body. The weak, shattered nerves must have something to strengthen and build them back to health. Dr. Miles' Restorative Nerve is a remarkable nerve tonic and stimulant. It strengthens the nerves, relieves the nervous strain, and influences refreshing body-building sleep and rest. Persistent use seldom fails to relieve these afflictions.

"I was taken with epileptic fits; had eleven in less than 12 hours. My father sent for our family physician, but he could do very little for me, and I grew worse every day, and at last they had three doctors with me, and still got worse. My father heard of Dr. Miles' medicine and bought a bottle of Nerve and a box of Nerve and Liver Pills. I had taken only a few doses until I began to feel better. I took 12 bottles and am now as sound and well. It has been worth all the world to me. I recommend it wherever I go. You may find this a life-long testimonial to the merits of your medicine, for I am enjoying the best of health, and I feel that life and health is due to this wonderful medicine."

R. F. D. No. 2, Boston, Ga.

Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

Miles Medical Co., Elkhart, Ind.

Cleveland on Monday as he had planned. Mrs. Rockefeller and a majority of the servants started for Cleveland on Monday night, but Mr. Rockefeller is still at his place in the Poughkeepsie hills.

The cause of the delay in the departure of the man is the fact that he has an unfinished golf course to play at Poughkeepsie. The Catholic priest of Terretown, N. Y., with whom Mr. Rockefeller is quite chummy, is soon to be the golf superintendent between the priest and the oil king is decided. Mr. Rockefeller will start for Cleveland. It was said at his home that it very likely would be three or four days before Mr. Rockefeller left.
