

AS TO THE CHOIR.

Its Joyous Tour to California a Thing of the Past.

A DETAILED ACCOUNT OF IT.

Under Master Took Every Opportunity to See, Hear, and Enjoy the Sight.

By the Editor.

The trip of the "Tennessee" choir to California is now a thing of the past, and will go down in history as one of the most successful and interesting parties in the history of the state. The choir, under the leadership of the late Mr. J. H. Hays, who was the first to suggest the trip, and who was the first to see it through, has returned to the state with a wealth of experience and a wealth of memories. The trip was a most successful one, and the choir has returned to the state with a wealth of experience and a wealth of memories.
