remains in the second ward meeting house this afternoon.

Martha Nielsen, wife of James Nielsen of Three Mile Creek, died yesterday morning, of old age. Mrs. Nielsen was born March 25, 1824, in Liden, Sweden. She joined the Mormon Church in the year 1854, and came to this country one year later, and settled in Ogden. Three years later she moved to Brigham City and lived here until 1887, when she moved to Three Mile Creek. She has been a faithful member of the Church, and was the mother of eight children, five of whom survive her, the eldest being 50 years of age. Funeral services will be held at the Three Mile Creek meeting house tomorrow at noon. The interment will take place at Brigham City.

Brigham City, Jan. 22.—Annie Maria Stokes, nee of James Stokes, of Three Mile Creek, died at her home Tuesday morning, of old age. She was 75 years old and the mother of fourteen children, five of whom are still living. She was born in Warden, Bedfordshire, England. She emigrated to Utah in 1868, and has lived at Three Mile Creek for the last twenty-four years. Funeral services will be held at the Three Mile Creek meeting house tomorrow at noon. The interment will take place in Brigham City cemetery.

M. I. A. CONFERENCE.

A most interesting and instructive conference was held on Sunday by the Y. M. C. A. of the Boxelder Stake of Zion. The afternoon session was mostly given to reports of the work of Mutual Improvement throughout the Stake, and a few reports from presiding associations.

Notice was given that B. F. G. would, at the evening session, give an account of his life and explain why he became a member of the Church and identified with its teachings. An immense audience greeted him, and they were treated to a splendid testimony.

A Shocking Calamity

"Lately befell a railroad laborer," writes Dr. A. Kollet, of Willford, Ark. "His foot was badly crushed, but Bucklen's Aqueous Salve quickly cured him. It's simply wonderful for Burns, Boils, Piles and all skin eruptions. It's the world's champion healer. Cure guaranteed. Sold by Z. C. M. I. Drug Dept."

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief. It digests what you eat. F. C. Schramm.

TO PREVENT THE GRIP

Laxative Bromo-Quinine removes the cause.

PROVO.

VACCINATION AGITATION.

Citizens in Mass Meeting Send Strong Petition to Legislature.

School Board Ignores Petition of Citizens—Judge McCarthy Decides Water Rights in Am. Fork Creek.

Provo, Jan. 23.—There was a crowded assembly in the court house last evening at the anti-vaccination meeting, many being unable to gain admittance. R. A. Barney acted as chairman and H. F. Thomas as secretary.

Stirring speeches were made by R. A. Barney, S. R. Thurman, J. W. N. Whitcomb, Victor Cramm, George Jacques and others, all opposing the action of the board of health and denying the necessity for it. The attorneys expressed the opinion that the action of the board of health was not supported by the law, but if the law did sustain them it should be repealed.

The following resolution was unanimously adopted and Messrs. R. A. Barney and E. C. Thompson were appointed a committee to present it to the Legislature and to work for legislation which will not permit the board of health to exclude healthy children from the schools.

"To the Honorable Members of the Utah Legislature now assembled in Salt Lake City, State of Utah:

"Gentlemen:—We, your petitioners, in mass meeting assembled in Provo City, Utah, do solemnly protest against the action now being taken by the State board of health.

"Whereas, We are deprived of our American rights; also our children are deprived of a common school education by the board's usurpation of the State laws in enforcing ourselves as well as our children to submit to the acts of compulsory vaccination.

"Whereas, We believe about 70 per cent of our healthy children are roaming the streets and are not allowed to enter the school; not because they are unhealthy, but because they refuse to submit to the tyrannical rule of the State board, therefore be it

Resolved, That we most earnestly petition your honorable body to enact such laws as will give us our freedom as American citizens and open the schools to all healthy children throughout the State.

A committee of ten prominent citizens was appointed with power to take

such legal steps as may be necessary to secure the admission of healthy unvaccinated children to the public schools. This committee will meet Thursday (after the board of education has had time to consider the following resolution which was unanimously adopted) and decide what steps to take.

The resolution to be presented to the board of education, and adopted at last night's meeting, reads as follows: Resolved, That it is the sense of this meeting that the board of education of Provo city open the public schools of said city, next Thursday morning, to all children of school age who are healthy and not suffering from any contagious or infectious disease, and

Resolved further, That if said board complies with this request and opens said schools as above stated, the persons composing this meeting will lend said board their hearty support, and will aid and assist them, if necessary, in defending their conduct whenever and wherever the same may be called in question, to the end that the legality of their conduct under the law may be fully and fairly tested. And be it further

Resolved, That the chairman and secretary of this meeting present said board of education with a copy of these resolutions.

BOARD OF EDUCATION.

At a meeting of the board of education held last evening the following petition with about 500 signatures was presented:

To the Honorable Board of Education of Provo City:

Gentlemen:—We, the taxpayers of Provo City in mass meeting assembled, do hereby petition your honorable body to ignore the action taken by the present board of health, of Provo city, and to open the schools to all healthy children; and in taking said action we offer you our full support."

The following motion by Mr. Poulton was adopted as a reply to the petition: "That it be the sense of the board of education that the petition be referred back to the chairman of the meeting where said petition was formulated with the statement that, according to the best judgment of the board and in accordance with information obtained from reliable sources, the board of education is legally required to comply with the recent order of the board of health."

The board of education would respectfully recommend that the petition be presented by the petitioners to the State Legislature now in session."

The motion was voted for by Messrs. Barrett, Poulton and Holt. Messrs. Wright and Carter voted for the following amendment:

"That the board of education of Provo city, recognize the petition of the patrons of the school district in relation to the order of the board of health, justly excluding from school healthy unvaccinated children. The board believes said order to be unwarranted and presumptuous, and recommend that a petition be forwarded to the Legislature, asking for the repeal of said order, and in taking said action we offer you our full support."

Towards the close of the meeting Mr. Oscar B. Young, as a committee from the mass meeting in the court house, came in and presented the resolutions referred to in the report of the court house meeting. The resolution was accepted and the citizens referred to the action the board had taken on the petition of the 500 citizens earlier in the meeting.

Consideration of a petition from the teachers asking that they be paid their salary for the week from January 17th to January 19th, in the case of Provo holiday vacation, ordered by the old board, was deferred till the next meeting.

FOURTH DISTRICT COURT.

In the case of American Fork city vs. Pleasant Grove city, affecting the rights of the parties to the waters of American Fork creek, Judge McCarthy yesterday rendered the following decision: Pleasant Grove to have 6-83 of the water from April 1st to April 15th, 19-42 from April 15th to July 1st, 8-42 from July 1st to Sept. 30th, and two and five-eighths of the water from September 30th to April 1st. Each side to pay its own costs. Court retains jurisdiction of case and will appoint a commissioner to divide the water, if necessary.

Louise Heron vs. Vernon C. Boley; demurrer filed and ruling reserved till Jan. 29th.

Michael Halloran vs. James Oakley; dismissed on motion of plaintiff's attorney.

The case of Damon G. Tunnell vs. C. Cropper, et al. is now being heard by Judge McCarthy. The suit involves the rights of the parties to the waters in Dry Canyon, east of the Roger's farm, and the plaintiff seeks for \$242 damages, while the defendant presents a counter claim for \$204. A jury was impaneled and testimony was being taken when this report closed.

The following additional jurors have been drawn for service at the present term of the first district court: Lorenzo Toolson, J. W. Quayle, A. T. Hilliard, R. T. Petty, John H. Barker, S. J. Jepson, George B. Baird, Alvin Crockett, A. J. Johnson, Thos. Poppleton, Abram Smith and E. A. Benson.

The case against Oliver Carlson and David Evans, charged with assault upon Alfred Ploot, was discharged upon motion of the prosecuting attorney, because of the opinion that there was insufficient evidence upon which to hold the defendants.

PAINFUL ACCIDENT.

Mrs. W. B. Preston, Jr., is suffering from a severely burn face, as a result of a gas explosion in a stove she was feeding.

DEATH OF MRS. FREDERICKSON.

Mrs. Anna Frederickson, mother of Mrs. Torgeson of this city, died at her home in Hyrum on Monday at the advanced age of 92 years.

This season there is a large death rate among children from group and hang grippe and all throat and lung troubles of adults. Pleasant to take, F. C. Schramm.

WELLVILLE.

Denise of William L. Walters, Late of Lacony, Wales.

Special Correspondence.

Wellville, Cache Co., Jan. 19.—It becomes our painful duty to record the death of Brother William L. Walters, of Wellville, Cache county Utah, who passed away after a lingering illness of nearly four years, on January 5, 1901.

Brother Walters was born in Lacony, Cornwallshire, South Wales, March 22, 1835; baptized November 14, 1845, and emigrated to Utah with his family in 1868. He leaves a large family and a host of friends to cherish his memory. He died as he had lived, a faithful Latter-day Saint.

Quality and not quantity makes De Witt's Little Early Risers such valuable little pills. F. C. Schramm.

EPHRAIM.

THE SNOW ACADEMY.

Prosperous Educational Conditions—No Restrictions Imposed.

Special Correspondence.

Ephraim, Sanpete Co., Jan. 19.—Ephraim and her people are in their usual progressive condition. No small-pox and no compulsory mandates about vaccination have appeared to spoil the peaceful and happy state of mind in which the holidays left the people.

The Snow academy, as it now is

called (it was formerly known as the Sanpete academy), is in a prosperous condition, and its moral effect upon the young people is felt to great advantage.

Last night the Students' society in the academy hall upon "Palestine and its People," in a very interesting and instructive manner, as he is very familiar with that subject, having spent nearly three years there on a mission.

The faculty seems to be ample for the present facilities of the academy. The new magnificent building under erection will no doubt give the Snow academy rank among the best of its kind in the State, as well as greatly aid in progress in every direction that can give it prestige among the higher institutions of learning, in connection with the studies of the Gospel of Jesus Christ.

HOLDEN.

Y. M. C. A. CONFERENCE.

Good Work Being Done—Dearth Feared—Thankful for Some Things.

Special Correspondence.

Holden, Millard Co., Jan. 20.—Y. M. C. A. conference was held here today with a fair attendance from nearly every ward in the Stake and a profitable time was had. The morning session was occupied with reports from the different associations, which were generally favorable though in some cases there is not the interest taken that should be. The afternoon was taken up by the Stake authorities, and Apostle Lyman, who spoke very instructively upon improvement work generally.

SOME THINGS TO BE THANKFUL FOR.

The people are still wondering whether we are to have another year of drought, there is a very ominous prospect of this at present, though there is plenty of time yet for snow to be laid up for next season's use. One thing we have to be thankful for, we have neither smallpox nor are orders from the State board of health as yet, and for this we feel truly thankful, as our district schools are doing excellent work with a full attendance.

OUR NEIGHBORS.

LEORIN, IDAHO.

Much Sickness—Prosperous Community—Going Into Sheep Business.

Special Correspondence.

Leorin, Bingham Co., Jan. 20.—We have had much sickness in this neighborhood for some little time owing to the changeable weather that has prevailed all winter. We had a heavy fall of snow in the fore part of the winter, but it did not stay long and ever since has been very frosty freezing and thawing, making the roads rather dangerous for travel.

We have had one death here lately, the little 2-year-old boy of Robert L. Pordan, who died January 15, from a combination of diseases.

We have quite a prosperous community of people here, the people are going into the sheep business largely, as this country is a great quantity of lucern hay which is fed at home, without having to hunt a market for it.

The ward house has lately been completed so we hold services under more auspicious circumstances than we have been doing.

LIFE OF A PIONEER.

Autobiography of Capt. James S. Brown, 520 pages, bound in cloth. Price \$2.00; for sale at the Desert News. Special terms to agents.

LOGAN.

BOARD DEFERS TO PEOPLE.

Strongly Pronounced Sentiment Against Compulsory Vaccination.

Distribution of School Moneys—District Court Notes—Additional Jurors—Painful Accident.

Special Correspondence.

Logan, Cache Co., Jan. 22.—The board of education of Logan City has issued a call for a mass meeting, to be held in the Logan tabernacle basement next Thursday evening, at 7:30 o'clock, for the purpose of getting a full public expression in regard to the vaccination problem. The sentiment hereabout is strongly pronounced against compulsory vaccination, and the legislature will probably be memorialized in regard to the matter.

SCHOOL FINANCES.

County Superintendent of Schools Thompson has announced the following apportionment of funds to the various schools of Cache:

	Pupils.	Amount.

Avon	62	204.50
Stephenson	85	276.25
Wheeler	68	221.00
Mt. Sterling	74	240.50
Totals	4,416	\$14,352.00

DISTRICT COURT NOTES.

The attention of Judge Hart was occupied today by the case of Abraham Smith vs. John Q. Adams, in which plaintiff sues for \$242 damages, while the defendant presents a counter claim for \$204. A jury was impaneled and testimony was being taken when this report closed.

The following additional jurors have been drawn for service at the present term of the first district court: Lorenzo Toolson, J. W. Quayle, A. T. Hilliard, R. T. Petty, John H. Barker, S. J. Jepson, George B. Baird, Alvin Crockett, A. J. Johnson, Thos. Poppleton, Abram Smith and E. A. Benson.

The case against Oliver Carlson and David Evans, charged with assault upon Alfred Ploot, was discharged upon motion of the prosecuting attorney, because of the opinion that there was insufficient evidence upon which to hold the defendants.
