Between 6,000 and 8,000 Vis-
itors Regaled With Lus-
cious Viand.

SERVICES AT TABERNACLE.

Respect to Harriman—Judge Rolapp
Lectures Sunday Night—
News Notes.

OGDEN, Sept. 11.—Melon day at the
Four-State fair was a huge success. Be-
tween 6,000 and 8,000 visitors entered
the gates during the day and a liberal
slice of melon was served to everyone.
The committee having charge of the
special festivities for the day, com-
posed of W. D. Brown, George Barry,
William Cragin, Will O. Kay, H. L.
Gillis and B. G. Blackman, supplied
melons by the wagon load and expert
chefs prepared special melon dishes.
The races were the center of attraction
and between heats, the bronco rid-
ers and expert rope "twirlers" amused
the good natured throng. In the eve-
ning a wild west show, the usual fine
display of fireworks and more water-
melon served as the attractions.

The car service has been unusually
good and not the slightest accident has
occurred all week.
All the exhibits continue to draw
large crowds of interested sight-seers
and nothing but praise is heard on all
sides for the hard working officials who
have made the fair so successful.

OGDEN, Sept. 11.—Out of respect for
the memory of the late E. H. Harriman,
all the local offices of the O. S. L.,
Union Pacific and Southern Pacific
companies will be closed all day Sat-
urday. Besides this, all offices will be
draped in black as an emblem of
mourning for the next 30 days. The
order issued that traffic should stop
for one minute at 2:30 o'clock on Sun-
day afternoon, the time for the com-
mencement of the funeral services, will
be generally observed throughout the
system.

The office of the Utah Light & Rail-
way company, also a Harriman prop-
erty, is appropriately draped in mourn-
ing.
Mr. Harriman has been a good friend

REMOVING POLES.

OGDEN, Sept. 11.—Before long
Twenty-fifth street will be entirely
cleared of poles, as the Utah Light &
Railway company is now busily en-
gaged in taking down their curbs poles
and it is expected that the Ogden Rail-
road Transit company will take the next
step by removing the unsightly trolley
poles from the center of the street.

Tabernacle choir furnished the music
under the direction of Prof. Frank A.
Christensen. He leaves a widow, who
is 82 years of age, and a son, who is
at present one of the members of the

Ephraim's prominent citizens, taking

SEVIER COMMISSIONERS HOLD BUSY SESSION.

(Special Correspondence.)
RICHHFIELD, Sept. 9.—At the regular
session of the board of county com-
missioners this week the following busi-
ness was disposed of:
A telephone was ordered installed in
the judge's office for the use of the
court.

Plute county was granted the use
of the county pile driver for \$10 per
week for the first week and \$5 per
week thereafter.

Commissioners Larsen and Crane and
Road Commissioner Tuft reported the
bad condition of the Owas Valley
road leading from Salina and that the
washouts along the route would re-
quire \$150 for repairs. Road Commis-
sioner Tuft was ordered to make the
needed repairs.

To avoid flooding the road north of
Redmond, the West View Irrigation
company at that place has agreed with
Road Commissioner Tuft to construct
a concrete and cement dam in the
river and raise same 18 inches provided
the county will raise bridge to the
same height.

A fence for a telephone line be-
tween Richfield and Annabell was
granted to Messrs. Fairbanks, et al.
The south end of the county was
divided into two districts and the fol-
lowing: Cove, Joseph, Elsinore and Mon-
roe in south district, with Dr. Arntson
of Elsinore as quarantine physician, and
Annabell, Richfield, Glendale, Glan-

The bond of M. Greenwood of Cen-
tral as county superintendent of
schools was approved.
Ezra Stevens was appointed constable
of Aurora.

Claims amounting to \$2,241 were al-
lowed.

LOA MAN KICKED BY A HORSE.

RICHHFIELD, Sept. 9.—While on his
way with a load of goods from Salina
to Loa, Perry Russell of the latter
place met with a very painful acci-
dent. He was proceeding up King's
Meadow canyon when a wash was en-
countered which the recent heavy rains
had caused. He had three horses
hitched to the heavily loaded wagon,
and the wheels had sunk deep in the
mud. Russell climbed down from the
wagon to assist in getting out of the
mudhole. He struck the extra horse
a sharp cut with the whip and the
animal kicked viciously, striking Rus-
sell on the upper leg, which was frac-
tured. He was knocked unconscious
and was picked up by a companion.
When he regained consciousness, he
made his way as best he could on the
back of the animal which kicked him.
He was bleeding profusely and when
he reached here his clothing was soaked
with blood from his wound. Dr. Seeg-
miller, a dentist, and Dr. J. J. Steine
attended to his wounds and placed
the broken jaw in plaster splints. Seven
teeth were loosened with the blow from
the hoof.

DIXIE FESTIVAL OPENS.

Perfect Weather Only One Happy
Condition Prevailing There.
(Special to the "News.")
St. George, Sept. 9.—With perfect
weather and typical Dixie skies, the
greatest fruit exhibit in the history of
Dixie land opened here today, the festi-
vities being largely attended.
There is nearly every kind of fruit imagi-
nable on exhibition and the many visi-
tors are taking the keenest kind of in-
terest in the display.

The large crowd present at the open-
ing day was entertained by splendid
music and there were a number of in-
teresting athletic sports. There are
heavy visitors from the north, in-
cluding Fred E. Struett of the Salt
Lake Commercial club and C. J. Ross
of the Weber club of Ogden. J. Edward
Taylor, horticultural inspector is here.
Francis M. Lyman and Anthony Irvine
are among the visitors and Samuel
Howey of San Antonio, Tex., is also
here.

CHICAGO MERCHANT MAKES STATEMENT.

After Spending Thousands of Dollars
and Consulting the Most Eminent
Physicians, He Was Desperate.

CHICAGO, ILLS.—Mr. J. G.
Becker, of 134 Van Buren St., a
well-known wholesale dry goods
dealer, states as follows:

"I have had catarrh for more
than thirty years. Have tried
everything on earth and spent
thousands of dollars for other
medicines and with physicians,
without getting any lasting re-
lief, and can say to you that I
have found Peruna the only reme-
dy that has cured me permanently.

"Peruna has also cured my
wife of catarrh. She always keeps
it in the house for an attack of
cold, which it invariably cures in
a very short time."

YOUNG MINES KILLED IN DALY WEST MINE

Angus Clift Meets With Instant Death
At Elevator Shaft—Natives
Of Heber City.

PARK CITY, Sept. 10.—At the Daly
West mine at 3:30 this morning, Angus
Clift, a miner 25 years old, was in-
stantly killed in an accident at the
elevator on the 1,200 foot level. He was
born in Heber City, Wasatch county,
and is survived by his wife and two
children. His parents reside at Provo.

RAINS BENEFIT RANGE IN GRAND COUNTY.

(Special Correspondence.)
MOAB, Grand Co., Sept. 7.—This part
of the country has been recently vi-
sited by extremely heavy rains, which
has resulted in an excellent condition for
winter feed. The most promising out-
look for years.

Much of the second cutting of alfalfa
was badly damaged by the recent heavy
rains.
The district schools opened Mon-
day with a large enrollment consider-
ing the fact that a few cases of scarlet
fever are still in quarantine.

JUDGE GREENWOOD HOLDS COURT AT PAROWAN.

(Special Correspondence.)
PAROWAN, Iron Co., Sept. 8.—The
regular September term of the district
court was held here yesterday and to-
day, with Judge Greenwood, Dist. Atty.
Ryan, Stenographer Cook and Atty.
Knox of Beaver and Lund of St. George
in attendance.

In the case of the State vs. Edgar
Dalton, charged with a statutory of-
fense, the defendant failed to appear,
and the court declared the bond of \$500
forfeited. It appears that Dalton had
been admitted to bail and had subse-
quently been arrested on the charge of
committing a greater crime, and while
in the custody of the sheriff feigned ill-
ness and made his escape and has not
been heard from as yet. It is supposed
that he took a night train for Salt Lake
when he left, belonging to other peo-
ple.

The case of Lydia J. Perry vs. Wil-
liam H. Perry was tried, and a decree
of divorce granted to the plaintiff as
well as the custody of the minor child.
In the case of Robert Knell vs. Al-
bert E. Taylor and E. C. Grant, judg-
ment was rendered for the plaintiff
in a suit on a note.

In the case of Sarah C. Burkholder
vs. C. D. Burkholder, a citation was
ordered to be issued to the defendant
to appear for contempt in failing to
pay alimony as ordered by the court,
the hearing to be had on the first day
of the next term of court.

A large number of probate matters
were disposed of and from the manner
in which Judge Greenwood dismissed
cases which have been dragging along
for some time, it appears that parties
will have to get their cases disposed
of in reasonable time, or have them dis-
missed.

PAROWAN BRIEFS.

The county commissioners at their
meeting on the 6th appointed H. M.
Hendrickson as county road commis-
sioner for Iron county, and transacted
other business in relation to county
affairs.

The recent rains have spoiled a great
amount of hay and has started the
cattle to grow in the fields, doing con-
siderable damage.

A good crop of fruit of all kinds is in
evidence this year and sugar is cor-
respondingly scarce, not a pound in
town.

GUIDES VERY OBLIGING.

People not familiar with the Adiron-
dack mountains marvel at the ability
and ease with which people get here
and there in this dense wilderness. This
is due to a large extent to the efficiency
and esprit de corps of the Adiron-
dack guides. They are formed into an
association called the Adiron-
dack Guides association, which regulates prices
as a union, which has as its aim the
comfort of the people who visit here,
and the protection of the good name
of the Adiron-
dacks.

ON THE SHELF PRO TEM.

George Kaye, clerk at the Fairmont,
who is English but is ambitious to out-
grow it, was discussing the endurance
contest in Judge Lawlor's court.

"Of course, I know you got your jury
system from England," he said, "and
so I suppose I ought not to criticize it.
But this is a country of lawyers, and
you ought to try to make some im-
provement."

"Suggest one," interposed Attorney
General Lawlor, who was passing.
"Well, you might allow more leeway
in the matter of having opinions. Now,
if I were a taleman I should not con-
sider it a bar to jury service if I had
an opinion. I could let it slide while
the trial was on."

"And what would you do with the
opinion while it was laid aside?"
"I would keep it."

was a most happy one except for the
noise and disturbance made by the
hoodlums, whose actions are a dis-
grace to the parents of the town.
