TRUE Temperance

Is not signing a pledge or taking a solemn oath that cannot be kept, because of the non-removal of the cause —liquor. The way to make a man temperate is to kill the desire for those dreadful artificial stimulants that carry so many bright intellects to premature graves, and desolation, strife and unhappiness into so many families.

> Itisafact! Brown's Iron BITTERS, a true non-alcohol-ic tonic, made in Baltimore, Md., by the Brown Chemical Company, who are old druggists and in every particuing the craving appetite of the drunkard, and by curing the nervousness, weakness, and general ill health result-ing from intemperance, do more to promote temperance, in the strictest sense than any other means now known.

It is a well authenticated fact that many medicines, especially 'bitters,' are noth-ing but cheap whiskey vilely concocted for use in local option countries. Such is not the case with Brown's IRON BITTERS. Itisa medicine, a cure for weakness and decay in the nervous, muscular, and digestive or-gans of the body, produc-ing good, rich blood, health and strength. Try one bottle. Price \$1.00.
