

specialties. All semblance of acting is lost in his impersonation of the old dairyman. It is so natural and life-like. Mr. Margolis, Mr. Granham, Miss Adams and Mrs. Bowring were good in their several roles. As Mr. and Miss Coulter have passed from our boards, we wish to thank all the professional success to which their great and acknowledged abilities entitle them. To-morrow evening Mr. James Stark, the celebrated tragedian, will make his first bow before a Salt Lake City audience. The gentleman's reputation is well established, and numbers of our citizens have enjoyed his classic impersonations in other cities years ago. He has selected for a first appearance here Howard Payne's beautiful tragedy of Brutus, that heroic Roman who saved his country from the tyranny of the Tarquins, and had the courage to condemn his own son to the executioner when the acts of that son merited death. There is no more touching or thrilling chapter in all Roman history than the one which the dramatist has made the subject of this tragedy. Its patriotism, virtue and justice teach lessons of no trifling importance. Mr. McKenzie appears as Titus; Miss Adams as Tarquinia; and there is a full and excellent cast of characters. The laughable farce of the "Vale de Sham" will conclude.

CALENDAR.—Wm. Clayton, Esq. has courteously furnished us with the calendar for the present month, which will be found in another column.

PREMATURE.—On a "Map of the Union Pacific Railway and Stations from Omaha to San Francisco," published in Frank Leslie's Illustrated Newspaper, we notice a station marked between Brigham City and Great Salt Lake. This is somewhat premature, the exact route of the line not being yet determined upon. The map has the road marked down Weber Canyon and then north around the northern end of the Lake, though Ogden is not given as a station. Better wait a little longer, and see how the engineers decide.

THE WEATHER.—Saturday night and yesterday morning there was a fall of snow of several inches. To day the sun shines brightly, with a clear sky, and a frosty air. We have received the following, by Deseret State Telegraph line, as the state of the weather, this forenoon, at the points named:—

Logan; clear and fine with four inches of snow on the ground.

Brigham City; fine, about three inches of snow on the ground; a few scattering clouds. Froze hard last night.

Ogden; bright but frosty. Snowed last night about four inches.

Provo; pleasant, but very cold. Froze hard last night.

Payson; on Saturday the snow fell about five inches, which still remains. The sky is clear and cloudless. Froze very hard last night, which was the coldest we have experienced this winter.

Nephi; the snow fell three inches on Saturday night; two inches now on the ground. Very cold and freezing hard.

Fountain Green; fine.

Mount Pleasant; cloudy and cold.

Chicken Creek; cold, but clear.

Scipio; clear and very cold.

Beaver; clear and cold, with two or three inches of snow.

Cedar City; clear and cold; about four inches of snow.

St. George; clear and pleasant; the most severe frost last night that we have had this winter. Thermometer at 55°.

LINE DOWN.—No dispatches. The line has been down east to-day somewhere between Cooper's Creek and La Porte, about 350 miles east of this city.

ARRIVALS AND DEPARTURES BY STAGE TO-DAY.

From the East—J. J. Kennard and wife.

From the West—Walter Davis.

To the East—S. C. Hunter.

To the North—Charles Woodmansee.

Died:

At Ephraim, Sanpete Co., December 17th, from cancer on the face, after a long and great suffering, Ex-Bishop Caleb Gibbons Edwards.

Deceased being the Major of the first battalion of Silver Greys, Sanpete Military District, N. L., was buried on the 18th, with military honors, with Col. R. N. Allred as manager of the procession. Before starting, a hymn was sung by the Ephraim Choir.

Capt. L. Larson's company of cavalry took the lead, followed by Capt. A. Hendrickson's company of infantry, and the martial band under George Quinn; succeeded by a great concourse of the people of Ephraim, and a few distinguished citizens from other places condoling with the mourners.

Several salutes were fired by the companies at the interment, and much respect was paid to the remains of Bishop Edwards by the people of Ephraim.—Com.

Special Notice.

Mr. Sherman and Thatcher, of Logan, Cache Valley, want to trade for stock.

The success which attends Mrs. White, in her tuition of pupils by "Robbins American Method" for the Piano, is very gratifying. They are acquiring a knowledge of music with a rapidity which is astonishing to those who only comprehend the old mode of teaching. A knowledge of the delightful art of music is sought by thousands of the community, and as this new method of teaching offers a means by which it can be obtained quickly, her services should be in great requisition. She is to be found at the Townsend House.

PUBLIC NOTICE.

YEAR 1868.

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of goods, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors, wanting money badly.

Ross & Barratt.
