

GOOD PITCHING AND BATTING WIN.

"Uncle Reke" Newmeyer Proves
Too Much for Butte's Stick
Artists.

SCORE WAS SEVEN TO FOUR.

Local Aggregation of Ball Tossers
Bunched Their Hits at the Proper
Time—Great Fielding.

"Uncle Zeke" Newmeyer's great pitching and the excellent support accorded him by the home crowd of ball tossers, proved the downfall of the Butte nine in spite of the latter's fine fielding, down at Walker's lot yesterday afternoon. It was a clean straight victory for Salt Lake and the game throughout was the kind to gladden the hearts of the most exciting fans.

The Miners started off well and looked like winners. They managed to get in four runs, one on an error and the others on "Zeke" before that gentleman settled down to real business. But the first inning it was a different story. The local batters began to unravel Bandelin's mystic and brought in three runs in short order. This caused great rejoicing for the reason that when they started out for blood, two men had been hit and the case was looking a bit hopeless.

Donahue started the batting streak. The first one presented by Bandelin was met by Don, who caught it fairly on the nose and sent it sailing away for three bags. Buck Weaver came next and slugged out a fly to Wilmet but Donahue beat the ball to the home plate, scoring the first run.

This was the only tally until the fifth, although the locals managed to get a man started in the second inning. Donahue came up again and hit a home run, a sizzler to Lynch at third, but it was no good. The next one was sent out way around third, but Lynch, who had been hit by U. A. Keating, Buck, Mr. Hansen, and E. L. Weaver, was next up and he managed out one for two bases, scoring Donahue. Howlett contributed a single.

Scoring Hansen, and Hansen scored one out to left field fence and Howlett scored. State Laker, Knuckled out, but he had third, which was not helped, although Lynch, Runkle and Wilmet went after it. The thing moved along then until the ninth with nothing doing for the home crowd. Newmeyer then heaped himself to a nice sacrifice, and Knuckled, who had been hit by Donahue, scored.

Butte started operations in the second when McKeivitt fired a hot one that made Newmeyer jump for life. Shaffer struck out, but Lynch made a nice three-bagger to left. He scored later on McKeivitt's fly. They could get no more runs until the eighth, when McKeivitt came out again and made a two-bagger, going third on a sacrifice and home on McKeivitt's single. The thing ended at second. In the ninth, a grounder by Knuckled, a sacrifice by Runkle, and Hansen's error on Ward's fly brought in the last run. Here's the summary:

Ottawa, Ont., Sept. 26.—When the house of commons was adjourned at midnight, M. FALLING HAIR STOPPED.
Baldness Cured by Destroying the Parasitic Germ That Causes It.

Baldness follows falling hair, falling hair follows dandruff, and dandruff is the result of a germ digging its way into the scalp to the root of the hair where it saps the vitality of the hair. To destroy the germ is to prevent as well as cure dandruff, falling hair, and, lastly, baldness. There is only one preparation known to do that. Newbro's Hairdressing, an entirely new scientific discovery. Wherever it has been tried it has proven wonderfully successful. It can't be otherwise, because it utterly destroys the dandruff germ. LOW FEES—QUICK CURES.

Is the Motto that has made Drs. Shores & Shores famous all over the West. Although The Wonderful Success of the Drs. Shores & Shores treatment—and the thousands of cures made by these Master Specialists—would turn the heads of Many Doctors, and cause them to charge exorbitant fees for their services—yet Drs. Shores believe it better to keep the price of Expert Specialty services within the reach of ALL the people—than to make their charges so high that only the very rich could afford to be treated, and as long as Drs. Shores continue their practice—the same low fees and expert service to all will be maintained, just the same as the rich and poor alike pay the same fare on the Street Cars.
