Last Night's Dispatches.

Gov. Seymour Again Declines.

UTICA, N. Y., 31.—Governor Seymour, at 12 o'clock last night, telegraphed to Judge Gray, President of the Democratic Convention at Saratoga:

"I am compelled, by obstacles which I cannot overcome, to decline the proffered honor of the nomination for Governor. I cannot be a candidate for any office."

The telegram was either not received or was not made public. This morning the committee from the convention waited upon Seymour, and the declaration of the night before was repeated. The committee returned to day to Saratoga, and Mr. Faulkner, of the committee said to the convention: "I am at liberty to assure you that under the extraordinary circumstances attending the nomination, Gov. Seymour feels constrained to obey the wishes of the people who have so often honored him." (Prolonged applause.)

The exact situation is stated as follows: Gov. Seymour has in no way qualified his positive refusal to accept the nomination for Governor. This declaration was final, and will not be reconsidered, nor will he consent to the use of his name. The adjournment of the convention leaves it with the State convention to fill the vacancy. It is understood the position will be filled by some one who will concentrate all interests in the party.

The New Sultan.

WASHINGTON, 31.—The Turkish Minister received the following from the Turkish Minister of Foreign Affairs—

"Constanople. — The cruel disease of which the Sultan Murad Khan has been suffering ever since the day of his accession to the throne, and to which aggravation has been continually increasing, having put him in the manifest impossibility to take any more the reins of the Empire, in virtue of the Fetoa rendered by his Highness Cheerkhue Islam, and the conformity to the law regulating the exercise of sovereignty in the Empire, His Majesty, Sultan Hamid, presumptive heir to the imperial throne, has been proclaimed, to-day, Emperor of Turkey."

Circular to U. S. Marshals—Internal Revenue—The Dismissals, etc.

The circular to the United States Marshals respecting their duties under the election laws, goes to the President to-night for final approval.

The Commissioner of Internal Revenue has fixed the product from each bushel of grain used at sixteen quarts, when the fermenting period is forty-eight hours, and fifty quarts upon seventy-two hours.

There were sixty-five dismissals to-day in the United States Treasury Office. Within a week all the departments will have made the necessary reduction called for.

The Secretary of the Treasury has appointed the following commission of experts to furnish information on international commerce and transportation; Albert Fink, Louisville; Geo. H. Morgan, St. Louis; Col. J. D. Hayes, Detroit; Chas. Randolph, Chicago; Col. Milo Smith, Clinton, Ia.; Hamilton A. Hill, Boston; T. F. Lees, N. Y.; Geo. W. Porter, Baltimore.

Senator Booth Speaks.

INDIANAPOLIS, 31. — Senator Newton Booth, of Cala., spoke to-night at Terre Haute, and was greeted by a large audience, it being his native place. In regard to the charge of being discourteous to the Independent party in not acknowledging his nomination for vice-president by them, he said this was not true; that after receiving official notice he sent his declination to the committee, and at their suggestion it was not made public until the vacancy was filled. His speech was mainly devoted to the consideration of the different financial plans. He claimed it to be the duty of every one to put forward his views, and that the true plan will finally appear. He said the hard and soft money men differ more as to the method and not about the general principles.

Schurz Speaks in English.

CINCINNATI, O., 31.—Hon. Carl Schurz made his first English speech in the Ohio campaign to-night, at the Robinson Opera House building. The Hall was crowded to its utmost and many points in his speech were warmly applauded.

Indian Raids.

OMAHA, 31.—A. A. Jones, agent of Clark's pony express at Deadwood city, arrived at Sidney this morning. He says the Indians raided the road between Custer and Deadwood on the 20th and killed Weston Smith, a minister, three miners, named Ike Brown, Polins and Mason, carrying off their stock.

On the 22d they made a raid on a party five miles south of Custer City, and killed James Kidd, Samuel Wallace, Jacob Weilly and Thompson. The Indians are supposed to be northern Sioux from the hostile camp on their road to the agencies. Jones says the country is full of Indians. There is no truth in the statement that Deadwood has been corralled.

The Indian Commission—The Trail

CHEYENNE, 31.—The Indian commission did not leave this morning as intended. They have been engaged here to-day perfecting a plan of operations upon which to proceed on the arrival at the agencies. They leave to-morrow morning. In their consultation, to-day, a feeling of perfect unanimity prevailed amongst the members, and appearances indicated harmonious action in the performance of their duties.

A courier who left the camp of Crook and Terry on the 20th, at the mouth of Powder River, arrived at Fetterman to-night. The command was then on the trail which is estimated at 10,000 ponies. The camp fires indicate seven distinct bands. There is reason to believe the Indians are almost destitute of food, and traces left in the deserted camps indicate that they are reduced to the extremity of eating raw hides for food. All the Snake allies have gone home, the Crows remaining. Gen. Crook fully expects to strike Sitting Bull in a few days.

A Mysterious Prize Fight.

PHILADELPHIA, 31. — Walker's dead body was found this evening near Salta Wharf, at Greenwich Point. His face and neck were terribly bruised. The police are searching for all the parties connected with the affair.

A young man called at the police head quarters late this evening and stated that after the fight Walker was laid on the table in the ring, and every one deserted him; that he hailed in a boat about putting off, and got them to assist him in placing Walker on board. Walker was insensible at the time. He remained so up till the time of his death, which occurred when half way up to the city.

The Coal Question.

The coal miners and shippers, this afternoon, agreed to allow each operator to do as he pleased in regard to prices.

Republican Split.

ABALINE, Ks., 31.—The republicans of the first district, to-day, nominated Wm. Phillips for congress. There was a split in the convention, twenty-four delegates withdrawing, who organized another convention and nominated W. A. Guthrie.

Yellow Fever.

SAVANNAH, Ga., 31. — To day there were twelve interments of persons who died from yellow fever yesterday. The disease is confined to the suburbs.

Boiler Explosion.

ST. PAUL, 31.—A threshing machine boiler exploded at Cordova, Minn., this afternoon, and three men were killed instantly, one fatally hurt, and several slightly.

More Miners Attacked by Indians.

CHICAGO, 31.—The *Inter-Ocean's* Yankton special says the steamer *Western* brings returning Black Hillers, who give startling intelligence that some hundreds of Sitting Bull's Indians have arrived in the Black Hills and are raiding on the settlements.

Between the 18th and the 21st of August eleven men were killed in the vicinity of Rapid City and Crook City. Their names, so far as known, are given as Chas. Hallen, Sioux City; Isaac Brown, Yankton; Geo. Jones and Mr. Reckart, Colorado; Chas. Mulberger, M. Smith, Mr. Patterson and four unknown. They were picked off singly.

The steamer *Nellie Peck*, with six companies of the 11th Infantry, left here to-night for the Cheyenne agency.

Cartridges for Constantinople.

NEW HAVEN, 31.—Fifteen million cartridges, valued at $375,000, were shipped to-day for Constantinople.

$55,000 Fire.

SANDUSKY, O., 31.—The fire at Kelly's Island last night destroyed $55,000 worth of property; uninsured.

The Moulton-Beecher Suit.

NEW YORK, 31.—Mr. Beecher having moved for a change of venue in the suit brought against him by Frank Moulton, the latter has served a supplementary complaint locating the action in this city.

Miners' Wages Reduced.

The Delaware, Lackawanna and Western Pennsylvania, and Delaware and Hudson canal companies will reduce the wages of miners ten per cent. beginning to-morrow.

The Fires in the Woods—The Grass Parched for Want of Rain.

Despatches from the north and east report serious fires in the woods and much destruction of property. In some sections the long drought has parched the grass and the farmers have to feed grain to the cattle.

Pioneers of California—Jones on the Silver Coinage.

The Associated Pioneers of California held a meeting at the Sturtevant House this evening, to make arrangements for a grand re-union of Californians at Philadelphia on September 9th. A programme and scheme for raising money were agreed upon.

Senator Jones, now in this city, reports that he is in communication with foreign ministers on the subject of silver coinage and the coin of other countries.

The late Speaker Kerr's Will.

LOUISVILLE, Ky., 31.—M. C. Kerr's will devises that all his law books shall be held in trust by his wife for the use of his son. He leaves all his property, real and personal, to his wife during her life, the son to succeed. He concludes by most earnestly beseeching his son to cherish always a sincere love for justice and truth, all his aims in life consistent therewith, and they cannot fail to be high and noble. He makes his wife sole executrix of the will. The paper is dated May 27th, 1865.

The Boy Murderer.

BOSTON, 31.—The sentence on Jesse Pomeroy, the boy murderer, has been commuted to imprisonment for life.

WESTERN.

Affairs in British Columbia.

SAN FRANCISCO, 31.—A Victoria dispatch says that a serious difference of opinion exists between the mainland and the island as to the position of affairs with Canada. The mainland appears disposed to let the island railway go, and accept the compensation, while pressing for the construction of the main line. The islanders take a stand on the Carnarvon terms, which provide for the building of the island as well as the main line. The state of affairs is critical, and does not appear to have been much improved by the visit of Earl Dufferin.

FOREIGN.

BRITISH AMERICA.

Cable Successfully Laid.

ST. JOHN, N. B., 31.—The heavy four-wire cable has been successfully laid across the Strait of Causo, giving the Western Union Telegraph Co. three cables at this crossing.

PORTUGAL.

Monetary Crisis Subsided.

LISBON, 31.—The monetary crisis has subsided. The bank of Portugal continues its transactions as usual. All the other banks and merchants have declared that they will not avail themselves of the decree of the 18th inst., deferring payments.

WEST INDIES.

Mysterious Shooting.

HAVANA, 31. — While a well known lawyer, named Vallejaline, was in the parlor of his residence last night, a masked man gave him a letter. Vallejaline went up to the chandelier to read it, when the stranger discharged a blunderbus at him, and then made his escape under cover of the terrible noise caused by the explosion of a box of cartridges ignited by a confederate outside the house. Vallejaline was wounded in the hand and neck but not dangerously. Three persons were arrested and imprisoned.
