

ALLEGED MEXICAN FORGERS

Captured by Sheriff Jones, at Montpelier, Yesterday Morning.

A special in the Herald from Paris, Idaho, under date of the 5th inst., says:

Sheriff Jones arrested three Mexican forgers at a school, all on the charge of forgery, at Montpelier. Their names are unknown, but they have been waiting for William Quinn, the well known merchant and forger of the country. They forged his name in a check of \$100 and tried to pass it on Miles and Taylor's store. The attention of the sheriff was called to the fact at a school last night, and he at once started to investigate and found the parties three miles west of Montpelier in a log cabin. They were prepared to leave the country. He brought them over to the county jail today, and they are as tight as a set of nuts as were ever put in any jail. They have been during the last of business to Montpelier and are in jail. Great credit is due to the sheriff for this capture. Their case will go to the district court, as the court will meet here on Monday next, and a heavy criminal case, as well as civil, will be tried. Dr. Rivers, who shot and killed Mr. McCarty and a girl at Montpelier, will be the first case called on the criminal docket. He will be defended by J. H. Hawley, Esq. Dr. Rivers, and is represented by S. C. Whittier, Esq. J. H. and Justice Powers, of Salt Lake, will be in the most interesting term ever held in this country.

County Court.

At a meeting of this body on Wednesday afternoon the report of J. C. Dowling, Esq., of the Infernal Building, was received and filed.

Mr. Donaldson D. Benson appeared before the court in answer to a subpoena issued on the 5th inst. He admitted that he had received notice three days to return conditional material for the grounds of the court, but had not done so. The county attorney asked Mr. Benson if he intended to hold the county building for work already performed, and he replied that he did not. The clerk was instructed to notify Mr. Benson to appear work on the Infernal Building until further orders from the court.

The county attorney submitted a franchise for the Salt Lake Beach Railway Company, which was read. The bill of A. F. Cummings for the Infernal Building was laid over until the next meeting.

An application of the Parker Company to supply the county with goods manufactured by them, was referred to Judge Smith.

The county clerk presented a statement as to the amount of money expended in the Infernal Building, showing \$10,000 on hand available for further improvements out of the Infernal appropriation of \$25,000. The report was ordered filed.

Big Cottonwood Canyon, east of Salt Lake, was made into a local district No. 25, and Ross Hastings was appointed supervisor.

C. F. Smith, supervisor of Third District No. 22, was instructed to make a report in that district.

John H. Fager, of Mill Creek, and David Prader of Union were requested to deliver the timber bought from them by the county, which caused the contract with them.

Selections of the county with reference to the lightening of the Infernal Building, were read.

The following appropriations were then made:
