You may get over that alight cold all right, but it has left its mark on the mem-branes lining your throat. You are liable to take another cold and the second one will cold and the second one was hang on longer than the first. Scott's Emulsion is not an ordinary cough specific, but it is "the ounce of prevention." It builds up the system, checks inflammation and heals inflamed mem-branes. "Slight" colds never bring serious results when it is promptly taken. Hook on the subject free.
