WILL BOND THE CITY

For Electric Light Plant - Reunion Of Indian War Veterans.

Special Correspondence. Springville, Utah Co., Feb. 12 .- By

vote of 194 to 67, the people of Springville decided to bond the city for \$20,-600 or more to put in an electric plant in Hobble Creek canyon and light up our city. Spanish Fork people now want to go in with Springville in erecting the plant and share in its benefits.

INDIAN FIGHTERS' REUNION.

Today at 2 p. m. the eighth annual reunion and campfire of the Walker and Tintic Indian wars was given at the Reynolds hall and was a grand af-Good old time music and dancing cuch as was the order years ago, inter-spersed with speeches and songs were the leading features. Songs by com-pany," "The days of bloody strife are and "When the Angels Call the were the opening pieces. The theech of welcome was given by O. B. Hunington, Sr., who feelingly referred to the conditions of 40 and 50 years ago, and compared them to those of the resent.

The song "The Old, Old Days," was followed by the reading of a poem by J. M. Westwood composed by Capt. George McKenzie, Speech by Edwin Booth, of Nephi, chief comrade of Juab Post of Indian war veterans. Comrade Joseph McDonald, of Heber,

was present and gave a general in-vitation to the Springville comrades to visit them at their reunion at Heber on the 17th. Comrade Thomas Wakefield, of Huntington, Emery county' was also a visitor. A gratifying fea-ture of the evening was the splendid

onder is that either team succeeded in securing a lead over the other. There were rooters galore for each side, a big crowd coming down from Logan and being assisted by a band. The work of the teams was great, in individual and in team work, and the three year hampions had to work mighty hard

and fast to hold their position. college boys from up Logan way The not settle down to business until the loils managed to run up three points, but then things began to hum. At the end of the first half the score was 8 to 6. In the second half the visitors began to creep up and at one point in the game they were two points to the good, but the locals settled down to hard desper-

ate, though consistent work. The man-aged to forge aheda, but did not keep he lead long as the visitors were right after them. It was first one team and then the other in the lead, but by final call of time the champions had two points the better of it.

In the second half there were frequent fouls and football tactics, to a mild degree, were adopted, with the result that Lund of the locals retired with a broken nose and his place taken by Stewart. At one point when Stanton and Blair were fighting for possession of the ball, the L. D. S. U. man chucked the Loganite over his head. The latter turned a complete somersault.

work of the visitors in passing The he ball was a revelation to those who saw the battle. They did it with the peed of lightning and met their speedy ivals half way on every turn of the game. To pick out the stars of each team, one has but to quote the line-up, for every man was a star and played as though the result depended entirely pon him, but at the same time not orgetting that team work was neces-

There could be no "kick" on the officials, as they did not show any favor whatever, and their work was satisfactory in every respect. The teams played strictly on their merits, and so far as this particular game is concerned, the best team won and deserve all the credit for nothing was given t them. Following is the summary and line-up:

NERVOUS PROSTRATION. The Result of the Pain and Irritation from Hemorrhoids Nervous prostration is often the re-

sult of neglecting a case of hemory-holds or piles; the pain and irritation attendant upon this disagreeable trouble inconveniences and annoys one is possible to go to business and to do the ordinary day's work, so the trouble is neglected until the nerves become exhausted and the patient is a victima of nervous prostration. Hemorrhoids cause a sensation of

where is located the most sensitive nerves of the human system and the nerves of the human system antually continued irritation will eventually cause a collapse of the nerves. This would easily have been avoided if the putient had carefully treated the case piles from their first appearance.
