CRITICAL ANALYSIS.

UNIVERSITY OF DESERET,
Salt Lake City, June 8th, 1887.

By carefully examining DeLand's Chemical Baking Powder with the microscope and with chemical reagents, I find that it is free from **Alum, Starch, Flour, Bone Ash, Ammonia and White Earths**, and that it consists essentially of Cream of Tartar and Bi-Carbonate of Soda.

The Baking Powder examined I purchased at Barnes & Davis, in this city.

J. T. KINGSBURY, Chemist.

MANUFACTURERS, CHEMISTS, GOVERNMENTS, PRINCIPALITIES OR POWERS

are unable to disprove the Statement on every can of DeLand's Chemical Baking Powder **"Made of Pure Grape Cream Tartar and Bi-Carb. Soda only.** No filling whatever."

☞ CAUTION—Use one-fourth less of this Baking Powder, and one-half less shortening with all recipes than with other brands. d

Its superior excellence proven in millions of homes for more than a quarter of a century. It is used by the United States Government. Endorsed by the heads of the Great Universities as the Strongest, Purest, and most Healthful. Dr. Price's the only Baking Powder that does not contain Ammonia, Lime, or Alum. Sold only in Cans.

A SURE CURE FOR THE PILES—You need not suffer from this most distressing disease again in all your life. Emall's Balm acts as a poultice and lubricator, absorbs the tumors and allays the intense itching at once. No caustic, no acid, no pain. A. McGibbons Esq., 19 Poplar street, Allegheny, Pa., writes: "I had itching and bleeding piles so bad I could not sit, stand or walk without intense suffering. I doctored with many physicians, and tried all the (so called) cures that I ever heard of, in vain (paying out hundreds of dollars), until I used Emall's Magic Balm, or Ointment. After the first application I enjoyed the best night's sleep I had for ten years, and two boxes have cured me completely." ☞ Wherever introduced Emall's Balm takes the lead, and has the largest sale of any Pile remedy in the world. Sold by druggists everywhere or sent by mail. 50 cent boxes. Address Zion's Co-operative Mercantile Institution, Salt Lake City. d&w (2)

EVENING NEWS.

Thursday, December 29, 1887.

IN THE NORTH.

Happenings In and Around the Capital of Cache.

Deputy Marshal Steele visited Mendon on Wednesday evening and suppœnaed Chas. Baker and Robt. Sweeten to appear before the grand jury in Ogden as witnesses.

On Tuesday afternoon last, Deputy Steele, accompanied by Commissioner Goodwin, visited Millville. The deputy searched the residence of Fred. Yeates, of that ward, but failed to find the party he was seeking.

On Wednesday, Wm. Williams, who was arrested last summer on an unlawful cohabitation charge, and whose sentence was suspended, was arrested on a new charge. He has since been taken to Ogden.

Andrew Anderson, of Hyrum, against whom an indictment was out for unlawful cohabitation, gave himself up to the officers on Tuesday. On Friday morning he went to Ogden, where his case will be considered.

H. H. Peterson, of Hyrum, who was arrested some time ago on the charge of unlawful cohabitation, and who has been before the commissioner several times, was there again on Friday morning, when the case against him was dismissed.

Jarvis Baker was before Commissioner Goodwin on Friday morning on a charge of fencing public land. Mr. Baker made a statement in his own behalf, when the case was continued until January 31. Witnesses are to be present on that occasion.

At about 10 o'clock Thursday night Deputy Marshal Whetstone made a call at the residence of James Henderson in this city and arrested John Burt, of Clarkston, who had come there early in the evening. He was taken before Commissioner Goodwin, when he pleaded guilty to the charge of unlawful cohabitation. He was bound over in the sum of $1,000. He also gave bonds for the appearance of Mrs. Burt and Maggie Simpson Burt.

On Thursday Fred. Theurer, of Providence, was arrested by Deputy Whetstone on a charge of unlawful cohabition. He was taken before Commissioner Goodwin and placed under $1,000 bonds. He pleaded not guilty. His examination took place on Friday. J. Theurer, and Mrs. M. Hockstrausser were examined as witnesses. The result was Mr. Theurer has to appear before the grand jury. Mrs. Hockstrausser was bound over as a witness.

On Wednesday, Dec. 21, at about 4 p m, Mr. Ephraim Dunn was riding towards his home at Three Mile Creek, Box Elder County, when he met with a serious accident. He was traveling along the county road and had reached a point about two miles south of Brigham City when the animal on which he was riding stumbled and fell, throwing Mr. Dunn to the ground and falling on top of him. Mr. Jacob Jensen happened to be near at the time and ran to Mr. Dunn's assistance and extricated him from his painful position. A team fortunately came along about the same time, and Mr. Dunn was placed in the wagon and conveyed to the nearest residence, which was that of Hon. J. D. Peters, at Three Mile Creek. There the unfortunate young man was made as comfortable as possible, and Dr. Carring on sent for. He found that the man's left leg had been broken midway between the ankle and the knee. The doctor set the bone.

Our Clifton correspondent, who was absent from town when the shocking suicide, mentioned in these columns a short time since, occurred, sends us additional particulars of the sad affair, which occurred on the 10th inst. Samuel Henderson, Jr., a carpenter by trade and a married man and the father of three children, the youngest only four months old, arose on the morning of the above date, apparently in good spirits. He ate his breakfast as usual, and while his wife was in the corral milking the cow, he arose from his chair, kissed each of his children an affectionate farewell, walked to the cupboard drawer and took out a razor and placed it in his pocket. He bade his children a second farewell, and left the room, saying as he did so, "I have not long to live." He proceeded in the direction of the stable, passing his wife on the way, and remarking to her, just previous to entering the stable, "Why, Lid, you are quite a cowboy." As he closed the door of the stable he bade his wife good bye in a pleasant way, and immediately drew the razor from his pocket and severed the jugular vein. His wife, observing that his actions were peculiar, followed him and was horror-stricken when opening the stable door to find her husband standing over the manger and watching his own life's blood flowing from the ghastly wound. The only words he said were that he did the deed with his own hand. He died in thirty minutes. No one knows why he committed the rash act.—*Logan Journal, Dec. 24.*

It was stated that it was the intention to have made this organization last July, but it had been postponed until the present. It was now proposed to organize a new Stake to include the Little Colorado Stake and the remainder of the Eastern Arizona Stake.

On motion it was decided that the new Stake should be known as the Snowflake Stake.
